#### Managing the streets of Sandton Central

Sandton City is located in the Sandton Central Management District, the commercial centre of South Africa and the home of three business improvement districts. It has been established for the employee, visitor, tourist, shopper, property owner and resident of Sandton Central. The City Improvement District is enhancing the safety, cleanliness and economic vitality of this node.

In the Sandton Central Management District, a team of 70 Public Safety Ambassadors, including armed officers in 5 response vehicles, officers on bicycles and a night shift team (all known as "the Men in Red"), are on the streets to ensure users of the area feel safe and at ease. The Men in Red can be called on at any time to escort people within the management district and are used extensively by the hotels to make tourists feel at ease. To be escorted by the Men in Red, contact Brendan Stolle on 011 784 8400.

## For the good of others

Sandton City is proud to announce their dedication and commitment to supporting the Reach For A Dream Foundation. Reach For A Dream is an organisation that believes strongly in the power of dreams and has brought hope and healing to countless young South Africans. It encourages children to use their dreams to fight life-threatening illnesses.

Every tenant in Sandton City has a Reach For A Dream collection tin, join Sandton City and Reach For A Dream in making dreams come true!

Sandton City has introduced an initiative in Alexandra Township. This began with Banakekeleni Haven - a Hospice and Aids Orphanage. Founder Rose Kubayi has devoted her life to caring and loving for both infected and affected children and adults and looks after them as if they were her own. Banakekeleni means 'take care of them' and this is the exact objective that Sandton City would like to achieve. The Alexandra initiative is aimed at fulfilling dreams, lending a helping hand and creating a sustained community project in our neighbourhood.
